

# INDOTEAK DESIGN™

CONTEMPORARY RECLAIMED

## CINTA TILES BY INDOTEAK DESIGN

### Description:

Indoteak's Cinta Collection. The word "cinta" in Indonesian means "love" – the perfect word to describe how we feel about this new line. Created by Erin Adams for Indoteak Design, Cinta is a groundbreaking tile and mosaic collection that fuses the freshness of contemporary design with the rich timelessness of 100% reclaimed teak. Our reclaimed teak-wood tiles come in either a gorgeous matte finish, or a high-gloss resin finish that go beautifully in all environments. Bathrooms, showers, back-splash or any wet-use areas, indoors or out. Custom colors are available upon request.

### Characteristics:

**Content:** 100% Recycled Teak  
**Finish:** White, Black, Natural, Resin, Custom  
**Backing:** Mesh Mounted  
**Surface Sheen:** Matte or Resin  
**Species:** (Latin Name): Tectona Grandis

### Maintenance:

Our 100% reclaimed teak tile may be regularly cleaned using, a gentle water based cleaner. (Example: BONA CLEANER) Do NOT use strong cleaners and strippers. For additional maintenance information, please reference the Teak Tile Installation Instructions PDF.

### Application:

Indoor / Outdoor  
Suitable uses are walls, ceilings, back-splash, shower walls, exterior walls. Suitable for wet environments if finished with High Gloss Resin Finish.

### Installation:

Mastic or thinset. Grout with sand for Matte Finish and non-sanded for High Gloss Resin. Please reference the Teak Tile Installation Instructions PDF for more details.  
Performance
